BRIAN GALLAGHER WELCOMED TO eREALTY TITLE AGENCY CORP

Jericho, New York — Brian Gallagher has joined eRealty Title Agency Corp as the newest associate of the firm's team. As Account Executive, Mr. Gallagher will contribute to the growth of the eRealty's sales production. Brian will cultivate new relationships from within the real estate, mortgage banking, and legal industries that extend throughout Long Island and the Greater Metropolitan area. He will be providing the same high quality service-oriented approach that eRealty clients are accustomed to receiving on a daily basis.

Mr. Gallagher will draw from his years in print advertising and publishing. During his time as Advertising Manager, Brian honed his management, organizational and analytical skills working with a wide variety of people inside and outside of 'Street News', a street newspaper sold by the homeless in New York City. The publication was considered the earliest modern street paper forging the beginnings of the American street newspaper movement. Celebrities such as Paul Newman, Liza Minelli and the Beach Boys contributed opinion pieces.

Currently, Mr. Gallagher is one of New York's Bravest, a member of the New York City Fire Department since 1991. He is a graduate of Nassau Community College with an A.A.S. in Marketing and SUNY Oswego with a BS in Business. Brian was an avid Lacrosse player while attending both schools.

A resident of Long Beach for fourteen years, Brian is married to Stefanie, a second grade teacher in the Elwood School District. He and his wife are the proud parents of two year old twins, Lila and Quinn.
